NRIF team has integrated its field and management expertise to provide cost-effective and implementable solutions to problems for the above disciplines through a three-pronged approach to tackle any given situation viz.:

- **GAL (Goal, Alternatives, Limitations) Conception in Project Panning & Methods to achieve goals;**
- **Convergence / Divergence between Priorities-Implications for project Design; and,**
- **Communication Network procedures for the Clients as per the NRIF Philosophy**

NRIF expertise flows from three sources: -

- A core group of empanelled professionals**
- Specialists on roster; and,**
- Eminent individuals as advisers**
- NRIF experts also have an access and, liaison with global experts through its national and international agencies and, institutions.**
- The NRIF operates in more than 11 States of India, with Head office in NCT of Delhi besides operating in over 14 Branches in India & abroad...USA & CANADA.**

NRIF Governing Body has a mix of members both from rural and, urban background, but they are keen to find ways to involve program beneficiaries in the management along with the government field functionaries.

We, in **NRIF** hold ourselves accountable to both those we seek to assist and, those from whom we accept resources.

The **NRIF** has a great start since 2000 with clients from a cross-section of Government: Central & State to other autonomous bodies to name a few. Viz.
