Dear Prof. Mattoo,

Thank you for your interaction on "Effective Leadership and Conflict Resolution with Particular Reference to Management of Natural Resources – Empowerment of Forest Dependent and Forest Swelling Communities" on Thursday the 18<sup>th</sup> December, 2008, with a batch of IAS officers, who were on a week's in-service training with us at this Institute during December 15 – 19, 2008 on "Management of Environment and Natural Resources", sponsored by the Government of India.

The participants had found the session very good, in terms of presentation, coverage, content, importance, usefulness and effectiveness.

I have great pleasure in conveying the afore-said impression of the participants to you for your information.

Thank you once again for having associated yourself with the programme, as a Resource Person on our request.

With regards,

Yours sincerely,

( K. Rajendran Nair )
